

Austrian Society for Extracellular Vesicles

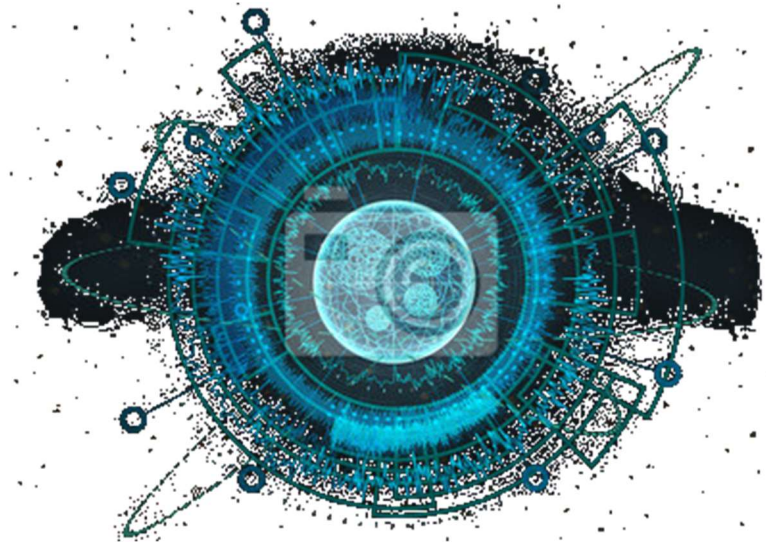

German Society for Extracellular Vesicles

Small New World

Joint Meeting of ASEV & GSEV

(Austrian Society for Extracellular Vesicles & German Society for Extracellular Vesicles)

October 28 & 29. 2022, Salzburg, AUSTRIA

TOPICS:

- Cellular Sources - *Nanovesicles as drug substance or drug delivery vehicle*
- Secretomes and Vesicles - *purity meets function*
- Natural & Novel Sources - *Nanovesicles from food, bacteria, platelets and iPSCs*
- EV Diagnostics and Biomarkers - *simplicity in complexity*
- Nanovesicle Analytics - *uptake, activity assays and in vivo tracing*
- Clinical Application and Regulatory Compliance - *beyond anecdotal evidence*

LOCAL ORGANIZERS: Eva Rohde, Nicole Meisner-Kober, Dirk Strunk, Mario Gimona, Roman Gangl
